Carol is a member of the Polish Legion Branch 412 Kitchener Ont

She has three lovely daughter Ashley, Lorrie and Angie and three beautiful grand daughters Ashley, Alyssa and Jessica

She is a proud great grandmother to Dustin

Carol started playing Shuffleboard back in 2008 playing in her first Ladies Only tournament. She didn't realize how much fun it was or how competitive she was up till then.

Since being widowed in 2013 her drive for the game fills in her time on weekends and she is improving everyday!

She also plays with the KW Shuffleboard League on Wednesday nights and is the proud Captain of her all girl team "The Rockettes"

Carol plays in most of the tourneys with many local players and from out of town.

At tournaments she is always there to help.

## She just wants to keep improving!

She is so thirsty for information on how to improve her playing skills.

She takes and appreciates any advice she can get and with her list of accomplishments its proof she will be around for sometime to come.

She plans to add many more "**firsts**" to her accomplishments
