Newer Player Loving The Game

Hello all you Shufflers!

Vivian has been playing Shuffleboard for about a year and a half now. She is a member at Canadian Legion Branch 50, Fred Gies, Kitchener, Ontario.

Who would have thought that a mother of 3 and grandmother of 5 would suddenly become hooked on such a game? She says “Not me that’s for sure!”

One Sunday afternoon at her Legion Branch, she was talked into playing the game and suddenly she's on a league and playing in tournaments!

Vivian likes to play at least three times a week and practices whenever she gets the chance. She finds the game quite challenging and now knows this is not just a game of chance.

She says she overheard one seasoned player saying “In Shuffleboard a good play isn’t just luck, it takes skill”. This is so true!

Her husband doesn’t like to play but supports her whole heartedly with her new found interest.

He is there when she plays in tournaments and he is becoming the Kitchener Waterloo areas biggest shuffleboard fan!

So far Vivian has played in a few tournaments in the Kitchener area and really enjoyed being a spectator at the 2006 Canadian Shuffleboard Championships held in Kitchener Ontario.

She saw some excellent playing in that week and hopes that some day her husband will be watching her in that major event!

I have NOT YET played in a provincial but my heart is in the game so you just never know....

We wish Vivian all the best with her new passion!

Vivian enjoys watching the games and competing

Vivian's husband is always there to support her.
