

Doug Barrett

OSA Player

Newer player is hooked on the game

Doug Barrett

Doug has been playing Shuffleboard for about 12 years now and when he is not working as a licensed electrician he likes to play at least one or two times a week.

He comes from Wellesley, Ontario and drives thirty to forty minutes to play in the Kitchener Waterloo Shuffleboard League every Wednesday night.

He loves to get out to Tournaments at least once a month, and sometimes will play as many as three in a month.

Several years ago Doug's best friends Mike and Aaron talked him into playing in the Waterloo Oxford league on Tuesday nights.

The league would play in different hotels each week and Doug got hooked on the game and looks forward to playing whenever he can.

He plays in most OSA tournaments in the K/W area and has won in a few open doubles as well as placed in several.

He lends his hand in helping to run the annual Ladies Only Tournament for the last couple of years.

Mary and Doug
play tournaments together.

He met the love of his life 'Mary' at an OSA fundraiser and now they have played together in several Open Doubles tournaments in Kitchener, Milton and Port Colborne.

Doug also plays in the Zone, District and Provincial competitions for Polish Legion Branch 412 Kitchener.

He says he loves the game and strives to become a better player each time he plays.

When not playing Shuffleboard he loves to work on antique cars and trucks and even owns a few.

He collects automotive memorabilia and has a great stamp collection.

He has recently purchased a board for his basement, where he, Mary and his Dad (*who also has played for a number of years*) like to kick back and play for fun.

He now has the means to practice more often so you can be sure we will be hearing of more wins from this dedicated player!

Doug loves to play in tournaments and practices at home on his new board
